African Mission is a UK registered Charity which gives practical support to African projects working in health and education. All projects have been visited by a member of the trustees with long term experience of working in Africa. The poorest countries of the world are in sub-Saharan Africa where healthcare and education are in conditions which compare with the United Kingdom 100 years ago. In this situation even the smallest donation has a big impact. By helping African Mission you can help the poorest in the poorest countries of the world. Uganda and Zimbabwe are our current priorities.

## How can you help?

- **£21 will buy a fingertip pulse Oximeter, vital for monitoring a patient's oxygen level**
- **£57 will pay for a disabled child's education, accommodation & living costs for a month**
- **£100 will pay for 700 bricks to help build a new classroom or teachers' cottage**
- **£200 will pay for essential monitoring equipment used in operating theatres**
